**RE: SPEL Stormwater – Company name change to Atlan Stormwater**

From 1<sup>st</sup> July 2023, the company name of SPEL Stormwater was changed to Atlan Stormwater.

Under the name of SPEL Stormwater, Stormwater Australia issued *Stormwater Quality Improvement Device Evaluation Protocol (SQIDEP)* Verification Certificates for the following devices and technologies:

**SPELBasin:** SQIDEP Verification Date: 25<sup>th</sup> September 2020

**SPEL Hydrochannel:** SQIDEP Verification Date: 22<sup>nd</sup> June 2021

**SPELFilter:** SQIDEP Verification Date: 23<sup>rd</sup> December 2022

Given that only the company branding has changed, Stormwater Australia has been advised that these devices have not changed their technical specifications or been modified in any way. This letter is to confirm the following name updates for the above devices.

**AtlanBasin** (formerly *SPELBasin*)

**FlowGuard** (formerly *SPEL Hydrochannel*)

**AtlanFilter** (formerly *SPELFilter*)

Yours faithfully,

Catherine Thrupp  
President  
Stormwater Australia
